RECOMMENDED BY: _____
Antonio A. Sanchez, Superintendent

INFORMATION:

The District administration is recommending that the Board approve paid sick leave benefits due to the COVID-19 pandemic. The administration is recommending that the Board consider this benefit because federal benefits under the Families First Coronavirus Recovery Act (FFCRA) have expired as of December 31, 2020. Approval of the benefit will provide the District with increased ability to manage outbreaks and will assist in maintaining the District's workforce to meet student needs.

The following conditions would apply:

- District will pay for up to eighty (80) hours of paid sick leave provided the employee has not already exhausted emergency paid sick leave or expanded family and medical leave under the Families First Coronavirus Recovery Act (FFCRA) during 2020.
- This eighty (80) hour paid sick leave benefit is available only to District employees upon their own individual confirmed diagnosis of COVID-19.
- The District will reinstate any personal or sick days that an employee has used if a COVID-19 positive test or confirmed diagnosis is provided, up to eighty (80) hours.
- If a state or federal authority enacts legislation extending the benefits granted under the FFCRA, the District's proposed paid leave entitlement benefit is void.
- This benefit of employment will apply from January 1 through June 30, 2021.

RECOMMENDATION:

It is recommended that the Governing Board approve extending Paid Sick Leave Benefits as outlined above for the time period of January 1, 2021 to June 30, 2021.
